

Broad How kitchen inventory (updated January 2024)

This inventory has been compiled so people visiting the house for the first time will be able to check whether we provide equipment they are likely to need for their visit. It doesn't give exact numbers for crockery, cutlery and glassware but don't worry – you'll find there is enough for groups of 14 – 16 people. We try to keep this list as up-to-date as possible, but obviously we can't guarantee complete accuracy as things get broken or misplaced and exact replacements may not be instantly available.

Large electric appliances

Stoves Rangemaster electric cooker with induction hob (2 ovens)

2x Bosch dishwashers (14 and 16 place settings)

2x microwave ovens

The Old Wash House

Just outside the back door you will find the Old Wash House. As well as the extra fridge/freezer mentioned earlier, you will also find:

- 2x washing machines
- Tumble drier
- Clothes pegs and laundry baskets

You will need to supply your own washing powder (non-bio is helpful for our sewage treatment plant).
