The Broad How Fifty

Neatly, there are exactly 50 'Wainwrights' within a 5-mile radius of Broad How... from mighty Helvellyn (1) to the less lofty, but still lovely, Hallin Fell (50): enough to keep your interest over several visits to Broad How* All the summits are attainable from the house, without the need to drive, but there are no rules. The steamer service from Glenridding to Pooley Bridge and Howtown runs all year round and can combine nicely with several fells (42, 43, 30, 49 and 50). The 108 bus service from opposite the Patterdale Hotel stops at Park Brow Foot for Aira Force and Gowbarrow (48).

There are many round routes that take in several peaks, of course, and lots of suggestions and expertise available in guidebooks and on the internet. One particular favourite, sometimes called the Deepdale Horseshoe, features 6 Wainwrights (48-38-10-5-12-38) lovely views of the head of the lake and across to Helvellyn, a dramatic little scramble over Cofa Pike, a brief mingle with the crowds (from Ambleside) on Fairfield and then the gentle undulating return over Hartsop Above How down to Hartsop, along the back road through Crookabeck to the house. Wonderful. Anyway, let us know how you get on so we know when to start designing the certificates!

*For those of you in a hurry, there is an annual event which could bag you over a third of our 50 in one go! Every year, on the first Saturday of July, a few brave and hardy souls walk or run the route of the Patterdale Parish Boundary, to raise money for Patterdale School and Church, The route is 30 miles long and involves 10,000 feet of ascent. Find out more about getting involved (or sponsoring others) at www.helvellyn.com
